

Oakes Public Library Computer/Internet Permission Form

I hereby give permission for my child

_____ (Print Name)

to access the Computers/Internet at the Oakes Public Library.

I have read and understand the Oakes Public Library's Computer/Internet Use Policy and grant permission for my child under age 18 to use the Internet and computers at the library. I accept full responsibility for my child, including setting or enforcing standards to be followed with selection, sharing, or exploring information. This responsibility includes monitoring minor's computer usage should I not want him/her to access material on the internet. I recognize also that this permission may be revoked or suspended if library staff determines that the minor has violated the library's Computer Use Policy.
