

Our Mission

The Small Business Development Center's mission is to provide high quality business assistance in the form of counseling, training, and research to existing and prospective small businesses which results in job creation or retention and economic wealth.

Core Values

Client focused quality services

- Technical assistance that focuses on helping clients meet their own goals for entrepreneurial success.
- Consultants who can travel to your site at no cost.
- Knowledgeable consultants who are up to date on current issues facing entrepreneurs to benefit our clients over the long term

Economic Impact Results

- Focusing on activities that will have maximum economic impacts - job creation, business starts, expansions, retentions, investments, and etc.

The SBDC helps individuals start, manage and grow their businesses.

We provide free consultation services to business owners who want to expand and grow their businesses and to entrepreneurs who want to start or purchase a business.

SBDC services include:

- **Business Plans**
Advice in construction and revision
- **Financial Projections & Budgeting**
Historical and pro forma
- **Operating Challenges**
- **Purchase or Sale of a Business**
Evaluation, strategies, research
- **Funding Your Venture**
Loan options and economic development incentives

Loan packaging

Our job is to use our expertise to make your business successful.

Fred Wolff, Business Consultant
