Prices listed are a guideline when determining the cost of each load. Each individual load is charged according to its volume, weight, and what kind of waste it is. Prices are subject to change. Chemical cans or barrels or hazardous waste will not be accepted at this Landfill Site. **All loads must be separated before entering the site to avoid possible turning away of your load.**

**NON-RESIDENT RATES ARE DOUBLE.**

The Landfill is located 2 miles West and  $\frac{3}{4}$  miles South of Oakes. It is an inert landfill only. No household garbage is accepted. Appliances with Freon must be certified and tagged that the Freon has been removed. Televisions and computers are not accepted at the landfill and should be placed in regular garbage pickup.

Compost area is located the City Shop is open all the time. Grass clippings and garden waste only allowed at this site. **Tree branches need to be taken to the Landfill.**

Household garbage can be taken to the City Shop and placed in the dumpster on the South side.
